Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §1.56, the documents identified on the enclosed PTO-1449 form are disclosed to the Examiner for consideration in connection with the present application. Copies of the documents identified on the enclosed PTO-1449 form are enclosed. The submission of the documents identified on the enclosed PTO-1449 form is not an admission that they are prior art or material to patentability as defined in 37 C.F.R. §1.56(b).

By this Information Disclosure Statement, applicant cites documents that were cited to or by the U.S. Patent and Trademark Office during the prosecution of U.S. Patent Application Nos. 09/106,659 and 09/339,076 ("the '659 and '076 applications"), to which priority was initially claimed in this application but which since has been cancelled, and U.S. Patent Application No. 10/165,227 ("the '227 application"), which also claims priority to these two applications. The assignee of the instant application previously co-owned the '659, '076, '227 applications and the instant application, but has since transferred the rights in the '659, '076 and '227 applications to another party who subsequently transferred the files to another law firm.

This Information Disclosure Statement is filed after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Office Action or Notice of Allowance, to the best of the undersigned's knowledge. Consequently, a check in the amount of \$180.00 covering the fee set forth in 37 CFR 1.17(p) is enclosed. The Commissioner is hereby authorized and directed to charge any additional fee required for the submission of this information disclosure statement to Deposit Account No. 13-2855. A copy of this paper is enclosed.

Respectfully submitted,
